Call to Worship

One: Unless God builds the house, those who build it labor in vain.

All: We come to offer the work of our hands and the prayers of our hearts.

One: God dwells not only in temples made of stone, but in communities of love.

All: We are the living stones — building God's house with faith, hope, and joy.

One: Come, let us worship the One who calls us to create, to serve, and to build together.

All: We come, ready to build God's house

Confirmation Class for your 6th, 7th, or 8th grader! We'll meet the 2nd & 4th Sundays of each month, so that our youth can continue participating in Wednesday night youth group. The connection and community that have been growing there are such an important part of their faith journey, and Pastor Rob wants to support that rhythm of fellowship and learning. Parents, please confirm with Pastor Rob that your child will be participating in Confirmation this year. Confirmation is an important and meaningful time in a young person's faith development. For many of our children who were baptized as infants or young children, their parents made promises of faith on their behalf. Confirmation is the time when your youth confirms that promise for themselves, claiming their faith as their own. If you have any questions, please reach out to Pastor Rob. (NOTE: Confirmation class not meeting today due to Trunk or Treat.)

Spirit of Life is once again participating in the **Armful of Love** project which supplies Christmas gift cards to families in need in our community. Our **Community Service food shelf donation garden** is wrapping up for the season. Most of it has been cleared out, but we may still be able to deliver some eggplant and herbs, if we don't get a hard freeze soon! We had a better rain season this year, so the garden was more productive: we delivered a total of 754.5 pounds to Rosemount Resource Center. Thanks for your ongoing support, and to the team of garden helpers!!

Our **LITTLE FREE PANTRY** has been of great use to our neighbors and is in need of frequent replenishment. And now that we're looking at below freezing temps possible, we need to eliminate glass jars and often canned items from our LITTLE FREE PANTRY. We suggest items in boxes, bags, paper wrapping, foil packets, plastic jars etc. We can store canned items in our entryway cupboard and put out as weather allows. Suggestions Include: Pasta Products, Pasta Sauce, White Rice, Peanut Butter, Jelly/Jam, Boxed Potatoes, Cereal / Oatmeal, Fruits and Vegetables, tuna, ANY Nonperishable Items. Hunger persists in our neighborhood and we thank you for your help!
